Classes Taught By TV; OU TV Dept. Facilities Utilized for Broadcasts

For the past eleven years, the University of Omaha's "TV Classroom" has originated from the KMTV television studios. Now for the first time, the facilities on the University campus is being used.

The first use of OU Radio-TV Department facilities for the broadcast began with the August 31st program on "The School, the Home, and the Community", taught by Dr. Sam Sollenberger. Last week Dr. Sollenberger ended 26 weeks of continuous "Classroom" instruction.

New Course

The second course to be taught over TV is "Arts and Crafts" 336TV which began on Sept. 14. Sessions are being held from 8:00 to 8:30 a.m. each Saturday until Dec. 7. The course is a three-credit course and open to anyone of junior standing.

Miss Jane Andersen, assistant professor of art and instructor of the course said it will deal with the philosophy of using materials in teaching art. Stress will be placed on the use of these materials in student-produced projects. Students will be required to watch each Saturday lesson, read weekly assignments from the text and prepare four art projects during the 13 weeks. Two campus meetings will be held during the course at which time each student will have their project evaluated.

Student Run

Each broadcast will be run by Radio-TV Department students who will direct, run cameras, and handle other equipment. The sound and picture are then sent by cable to KMTV where they are broadcast to viewers over KMTV's regular transmitter.

Paul Borge, head of the Radio-TV Department, said the program is now being originated from OU because it was felt that such a move would provide "A great spurt in the interest of students" who want to go into broadcasting as a profession. He said this also gives the students a chance to get on the air experience.

Helps Dept.

Mr. Borge also said this kind of programming puts the OU Radio-TV Department in a good position to provide preparation and production of educational broadcasts for Omaha's proposed channel 16 and other areas of the Nebraska State Educational Television Network.

Miss Andersen said that she is anxious to see how the students did on their assigned projects at their first class meeting. She also said the students are on their own while making their projects and thus can't see how other persons in class are doing. Miss Andersen feels that people taking the course for credit is small compared with viewers watching for interest.

Bronowski New AFROTC Group Leader For '63

James Bronowski was named as commander of the AFROTC Group and will head the organization for the first semester this year.

Art Department head, J. V. Blackwell and several Omaha University students are trying to start a ski-club here at the university.

Anyone interested in skiing can sign up for the club in room 350 Adm. bldg.

The group hopes to take regular trips to the Crescent Hill, Iowa area and possibly a Christmas trip to Colorado.

All persons planning on making application for medical school for the school year 1964-65 should see Dr. D. N. Marquardt, head of the chemistry department, before Oct. 1. His office is Room 435 Administration Building.

Art Show Includes Entrants From OU

The Omaha Artist's Association opened its third annual art show at Joslyn Memorial, Sunday. Of the 79 entries, 31 were from students and faculty of OU's Art Department.

The Omaha Artist's Association is dedicated to the propagation of art in the Omaha area. It also aids young artists.

Naomi Klein, from OU, received honorable mention for her painting "Shattered Landscape" and a print "Another Milestone"

Others competing in the show were Jane Andersen, "Cactus"; J. V. Blackwell, "C. Q." and "Landscape with Church"; Diane Degan, "Figure Resting" and "Sun and Lilacs"; James Engler, "Creation 2"; Peter Hill, "Trojan Journey"; and Judith Houk, "Seen Only At Night."

Thomas Majeski entered "Iowa Landscapes"; Thomas Palmerston, "The Wind Shall Cast Thy Seed" and "White Simplicity"; Joe Rewolinski, no title; Jack Roberts, "East Entrance to the Run."

Mary Sonderson, "Odd Man Out"; Tony Turnquist, "Problem 1" and "Bird In a Cage"; James Weeks, "New Construction"; and Joyce Wilson, "November Country."

Those entering prints were Judy Berg, no title; Julia Clarke "Heart of Spring"; Thomas Majeski, "Ellen" and "Beginning of Winter"; Joyce Wilson, "Shapes of Grass" and Landscape-once."

Attempted Burglary In Student Center

Student Center officials have reported a break-in which took place September 20 at 2 a.m.

Two unidentified men broke a window and gained entrance to Mrs. Engle's office on the second floor.

The men were seen in the hall and ran before they could be stopped.

Police were called, but nothing was missing and there were no signs of vandalism.

OU Alumni Choose New Officers for '64, Plan Loan Program

The University of Omaha Alumni Association met this past week and elected officers for the coming year. Those elected are: Thomas E. Moore, president; Mrs. Eileen Wolfe Damhoff, vice president; Mrs. Jo Ann White Helme, secretary; and, Hohn Jeter, treasurer.

A new innovation of the Association is the organization of a student loan service. A committee is being formed to work out a fast loan service for those students who find themselves short of money.

The loans will be available in amounts up to five dollars and will have to be repaid within a month. Details of the plans will be made available later.

All OU football games can now be seen on KMTV Sunday night. The games, broadcast at 11:20 p.m. are put on with the co-operation of the Association.

CO-ED OF THE WEEK

This week's Gateway co-ed of the week is posed in a most familiar surrounding for her. Tall, strikingly good looking Susan Johnson, better known as S. J. to her friends, is an English-Speech major with a distinct background in dramatics and the stage.

The 1962 graduate of Westside High came to OU with a Regents Scholarship and Dramatics Scholarship and proceeded to become active in plays, speech, Angels Flight, Reader's Theatre and other campus activities.

The GATEWAY is published weekly by students of the Omaha University Department of Journalism. Editorial comment and signed letters to the editor are not necessarily representative opinions of the faculty, administration or student body.

Job Office Offers Jobs

Another student service performed by Omaha University is the Student Placement Office located in the Administration Building, room 231.

Director of the Placement Office, Mrs. Yvonne Harsh, said, "Last year 1,000 off campus part-time jobs were listed and filled by students through the office."

The placement office was established prior to World War II to assist students in finding work in a period when jobs were hard to find.

The office started a work study plan at this time. The students worked one semester and attended classes the next. This plan was discontinued during the war years.

On November 1, 1961 the office was organized as a centralized placement office.

Such part-time jobs include: bank teller, bookkeeper, construction work, general office work, bartender, and a promotional manager for a local coffee house.

On campus work is also available through the Student Placement Office. Jobs in the library, buildings and grounds, and the book store are filled by students with the help of the office.

"That Place" Stiffens Probation Actions

Remember when people said Omaha University was the easiest school on the face of the earth? Or when they called it West Dodge High School. Or when they said that even "you" could get a degree from "that place."

Well, all those times are gone and past. According to Donald Pfisterer, Dean of Student Personnel, academic probation on the University of Omaha campus has stiffened greatly.

During the first and second semesters of last year, for a period of about six months, students on academic probation still had a chance to participate in extra curricular activities or represent the university in some way.

That chance was known as the Committee on Academic Standing. The committee is still around but now only serves the function of reviewing cases of possible suspensions, Pfisterer said. If a student understudies himself into academic probation now, he is automatically discharged from representing the university in anyway.

Pfisterer said the committee would until September 1, 1964, review a student's case. If the student was close to what he should be in the way of a grade point, he would be allowed to participate in some activity representative of the school.

But it's not that way anymore. There is now no leeway for those wrongdoers.

(Cont'd. from Page 1, Col. 2) munism" on November 13, Seymour Topping, who has just returned from four years as head of the New York Times, Moscow Bureau will be the speaker.

Enrollment fee for the public will be \$5.00. This entitles the enrollee and a guest to attend each of the six lectures. University students will be admitted by their activity card.

Air Chaplain To Visit OU October 2

The Air University Staff Chaplain will visit the Omaha University campus on October 2.

Major Elmore P. Nelson will speak to all of the Advanced AFROTC Cadets on Wednesday as a part of the Air Force's Dynamics and Moral Leadership program. Major Nelson's appearance this year at OU will be the first time that he or any other chaplain has spoken to the cadets. In the past the visiting chaplain has conferred only with the detachment officers.

This year he will be available to all of the advanced cadets for group interviews and personal interviews. The highlight of these interviews will be at 1 p.m. when he will meet with all of the advanced cadets, their wives, and finances.

Major Nelson

Major Nelson's other activities while on campus will include an address to all of the Air Science classes, a conference with Deans Naylor and Pfisterer and a conference with all of the detachment officers. His addresses to the Air Science classes will center around the topics "Officer Leadership" and "The Air Force Chaplain Program."

Presently assigned as Air University Staff Chaplain at Maxwell AFB, Alabama, Major Nelson has also served in England, Greenland and Washington, D. C.

The chaplain is an ordained minister of the Evangelical Covenant Church. His education was received at North Park College and Theological Seminary in Chicago and Columbia University in New York. Chaplain Nelson has attended courses at the Air Forces Chaplain's School Marriage Counseling courses at the University Texas. He presently resides in New York City.

Harper To Host Faculty Supper

Dean and Mrs. Robert Harper will host a buffet supper to be held Sunday at 6 p.m. at Kiewit Plaza.

This is an annual affair which is held for all faculty members of the College of Liberal Arts, and all are invited.

EDITORIAL VOICE

RULES?

Rules are a great thing . . . if they make sense. However, issue has to be taken with a couple of them in OU Student Center. Frustration on the part of students and apparent haphazard thinking on the part of the 'rule makers' characterize these rules.

For one, the rule about no books, briefcases, coats, etc., allowed in the Student Center upstairs cafeteria. Humbug! We would like to know just what terminology is applied to those things women carry around. Of course, we saw an instance the other day where the upstairs rules enforcement agency called a purse a briefcase. A small, but in view of the basic problem, significant 'discussion' ensued.

However, despite the hero image, justice lost and the disputed purse (or was it briefcase) stayed. Boy, it was huge!

Anyway, the whole thing of checking property in has caused the five-minute, sophisticated cup of coffee to disappear much like the affordable semester hour. Ah, progress, thou villain!

We hasten to point out that an upstairs cup of coffee is, too, sophisticated; and it tastes better. We know it's the same coffee, but frat rat row and junior delinquent groups that frequent the rubble hole downstairs tend to sour the Brazilian Bean Soup. Besides that, it used to be that a 'cuppa' used to be just the thing between classes. Not so anymore. It takes too long to check in and check out and be fingerprinted.

Also, lest we forget, we have an obligation to the Brazilians to keep drinking. They have too many beans, so we help them out by demanding caffeine as a crutch for those ugly morning hours.

We say a rule is a rule is a rule, but let's take them out of the high school category. It's easier to keep alert to people putting things on the floor, and asking them to move it out of the way, than it is to uproot the whole group.

Come on, now, this is supposed to be a University, an institution of higher learning. No wonder we've been called 'west Dodge high'.

ETV

Recently in Lincoln, Nebraska, the man who directed a state wide educational television survey for Nebraska last year said that it would be "almost unthinkable" for anyone to seriously consider substituting Omaha ETV Channel 16 on the UHF band for expansion of Lincoln's KUON-TV, Channel 12.

John Schwartzwalder of St. Paul, Minnesota expressed his view at a meeting in Lincoln with the newly formed Nebraska Educational Television Commission.

It is the view of the GATEWAY that if we in Omaha are side-stepped in favor of expansion of the University of Nebraska's facilities (KUON-TV), the biggest market and the biggest range of talent for ETV will have been snubbed.

A three-man subcommittee of the yet-to-become-official ETV commission has recommended that the Lincoln transmitter be moved to Mead, Nebraska.

Some persons feel that the transfer will enable the broadcast region to include the Omaha area.

If this is true, when will Omaha's ETV Channel 16 ever get on the air?

The answer is obvious, not for quite some time. And, while the same subcommittee also recommends that a study be made concerning the effects and relationships of an Omaha station to the statewide network, there is no action shown in the recommendation.

It is action, immediate action, that we are looking for.

We're going to have the station in Omaha eventually, so why not now?

The practical experience that will be derived from the station, if begun now, will help in the solving of many problems when the statewide network finally becomes a reality.

One week from today, there will be another meeting of the commission, which becomes official after October 19th.

Dr. Paul Miller, the superintendent of the Omaha public schools, along with representatives from Creighton and Omaha Universities will speak before the group in Lincoln.

It is our hope that the Omaha delegation can persuade the ETV commission to see the facts and take action to get Channel 16 on the air.

Pelowski Stays In Cairo Home

By Larry Porter

Where can one wake up to the sound of donkeys braying and vendors shouting the excellence of their wares?

Just ask Jim Pelowski, a senior who is majoring in speech at Omaha University. Jim was chosen to participate in the "Experiment in International Living." This is a student exchange program designed to promote better understanding of Americans by placing students in families of foreign countries.

In Cairo, Egypt, sponsored by the OU Alumni Association, he became the first OU student to take part in a foreign exchange program.

To Cairo

He left New York on July 10 with a group of 159 students bound for the Middle East. Their chartered jet arrived in Athens, where he and 10 other students climbed aboard another jet for Cairo.

After arriving in Cairo, the group met the first problem of the trip. Two of the families that had agreed to take the students, withdrew from the program.

"We stayed in a hotel for the first couple of days until two other families could be found," Jim said. "My family turned out to be wonderful. Neither my mother or father could speak English very well, but my 18-year-old brother spoke fluent English and I never let him get too far from me."

A set of seven-year-old twins completed his "family" and took over Jim's education by teaching him how to count to 100 in Arabic.

He lived in an eight room apartment in the middle of Cairo.

Sight Seeing

"Cairo," Jim explained, "can be described as a city of contrasts. People wearing traditional Arabic clothing mingle with others wearing Western garb. Cadillacs draw alongside donkey carts."

The university in Cairo where "there are no tuition fees" also impressed him.

Jim went on many sight-seeing trips while in Egypt. He climbed Cheops—the Great Pyramid, rode a camel to the Sphinx and went horseback riding on the Sahara Desert in the moonlight. His diet included camel meat which he described as "tasting like pork tenderloin."

He returned to Omaha September 10th and is now trying to raise money to send another OU student to a foreign country next summer. Jim's major is being tested as he is raising the money by accepting speaking engagements at various civic functions.

No Guitars Tonight, Sig Ep Sing Wants Only Good Hoot Voices

Leave your guitars at home tonight, but be sure to bring along your best singing voice to the annual Sig Ep Sing.

The sing, to be based on a Hootenanny theme, will feature an hour of folk singing. Anyone can sing their favorite folk song. "The Midlanders" will perform.

The Carter Lake Club will host the first Greek function. It will run from 8 P.M. until midnight. Various song leaders of competing groups will lead participants in an informal song fest until all arrive.

Women's groups will compete with the song "Green Fields", and the men will sing "They Call the Wind Maria". There will be a winner from both divisions. Three judges have been selected to determine the outcome.

Rich Clayton and the Rumbles will entertain at a dance following the contest, and refreshments will be served.

Dave Cowsky, master of ceremonies and chairman of the event, is expecting a turnout of over 650.

Judge Speaks To Sorority

The Honorable Seward L. Hart, judge of the Separate Juvenile Court, spoke to members of Kappa Delta Pi at their meeting last night.

The members met in SC Dining Room B. After dinner, Judge Hart spoke on the relationship between the court and the schools.

Kappa Delta Pi is an education honorary sponsored by the College of Education. Karen Stacke is president of the group.

Patio Picnic Set For Canterbury

A patio picnic will set the stage for the weekly meeting of the Canterbury Association.

The picnic will be held at the home of the very Rev. Robert Hewitt 4940 Emmet. It will begin at five p.m.

Rev Dale Rogers, Episcopalia Chaplain at Clarkson Hospital, will speak on "The Healing Ministry".

The GATEWAY is happy to relay along the information that 1951 Graduate and past Alumni Secretary Tommy Townsend and his wife had a recent addition to their family.

Their first child, Christopher Townsend, was born Sept. 18, 1963, and weighed 8 lbs. 5 oz.

Townsend is scheduled to takeover as Campus pastor for the United Christial fellowship at Wichita University. His address in Wichita is 1851 Harvard Street.

Since leaving OU, Townsend was a preacher in Plymouth, Wisconsin.

Orchesis To Hold Practice, Tryouts

Orchesis, modern dance organization, tryout and practice dates have been announced.

Anyone interested, male or female, can practice under direction on Oct. 7, 8 and 9 in the WPE Hut. Sessions will begin at 3:30 p.m.

Tryouts will be the following week, Oct. 15 and 16.

For more details, contact Mrs. Dian Peterson, faculty advisor, or Linda Hill, president of the group.

Women Pledged In Open Bidding

Seven women were pledged into sororities early this week through open bidding.

Anne McLoed was pledged Monday by Chi Omega.

Sigma Kappa increased its membership by five. Ronnie Bounds, Terri Henning, Kathy Lautenschlager, Kay Stevens and Jackie Horn received bids.

Cathy Stoeber accepted a pledge ribbon from Zeta Tau Alpha Tuesday.

THE DEAN YOU SAVE MAY BE YOUR OWN

Colleges are complicated and bewildering places, filled with complicated and bewildering people. Today let us examine one of the most complicated and bewildering—yet fetching and lovable—of all campus figures. I refer, of course, to the dean of students.

Policeman and confessor, shepherd and seer, warden and oracle, proconsul and pal—the dean of students is all of these. How, then, can we understand him? Well sir, perhaps the best way is to take an average day in the life of an average dean. Here, for example, is what happened last Thursday to Dean Killjoy N. Damper of the Duluth College of Belles Lettres and Pemmican.

At 6 a.m. he woke, dressed, lit a Marlboro, and went up on the roof of his house to remove the statue of the Founder which had been placed there during the night by high-spirited undergraduates.

Dean, Policeman, Confessor, Shepherd, Seer...etc.

At 7 a.m. he lit a Marlboro and walked briskly to the campus. (The Dean had not been driving his car since it had been placed on the roof of the girls dormitory by high-spirited undergraduates.)

At 7:45 a.m. he arrived on campus, lit a Marlboro and climbed the bell tower to remove his secretary who had been placed there during the night by high-spirited undergraduates.

At 8 a.m. he reached his office, lit a Marlboro, and met with E. Pluribus Ewbank, editor of the student newspaper. Young Ewbank had been writing a series of editorials urging the United States to annex Canada. When the editorials had evoked no response, he had taken matters into his own hands. Accompanied by his society editor and two proofreaders, he had gone over the border and conquered Manitoba. With great patience and several Marlboro Cigarettes, the Dean persuaded young Ewbank to give Manitoba back. Young Ewbank, however, insisted on keeping Winnipeg.

At 9 a.m. the Dean lit a Marlboro and met with Robert Penn Sigafos, president of the local Sigma Chi chapter, who came to report that the Deke house had been put on top of the Sigma Chi house during the night by high-spirited undergraduates.

At 10 a.m. the Dean lit a Marlboro and went to umpire an intramural softball game on the roof of the law school where the campus baseball diamond had been placed during the night by high-spirited undergraduates.

At 12 noon the Dean had a luncheon meeting with the prexy, the bursar, and the registrar, at the bottom of the campus swimming pool where the faculty dining room had been placed during the night by high-spirited undergraduates. Marlbors were passed after luncheon, but not lighted, owing to dampness.

At 2 p.m., back in his office, the Dean lit a Marlboro and received the Canadian Minister of War who said unless young Ewbank gave back Winnipeg, the Canadian army would march against the U.S. immediately. Young Ewbank was summoned and agreed to give back Winnipeg if he could have Moose Jaw. The Canadian Minister of War at first refused, but finally consented after young Ewbank placed him on the roof of the metallurgy building.

At 3 p.m. the Dean lit a Marlboro and met with a delegation from the student council who came to present him with a set of matched luggage in honor of his fifty years' service as dean of students. The Dean promptly packed the luggage with all his clothing and fled to Utica, New York, where he is now in the aluminum siding game.

Hope Up After Loss To Maroons

Practice Rough For Idaho St.

A Big Surprise For OU

Still shaken by a 33-25 licking at the hands of a supposedly underdog Morningside squad, OU's Indians jump right from the frying pan into the fire tomorrow as rugged Idaho State comes to town for a 2:00 p.m. contest.

The game will be the last home game until Northern Michigan invades on October 26. The Bengals from Pocatello whipped Nevada, 36-19 last week in their first game. Coach Al Caniglia says of the Idaho squad "They will be three times as rough as Morningside."

Little is anticipated in the way of lineup changes for the Indians for the game. OU's defensive line, looking anything but fearsome, will be expected to rebound and show some of the play that made them the class of the small schools last year.

OU's vaunted ground game, an earmark of last year's squad, will have to come to life if a win is in order. The Indians mounted only one sustained drive all afternoon against Morningside despite the presence of the blinding speed in the Omaha backfield.

Tough Row To Hoe

Notably lacking was the power sweeps by Sayers and Gerry Allen. Not once did Sayers run the sweep or did Allen. Carl Meyers' passing was superb as far as the long ones went. Caniglia praised Morningside as "15 boys who came to play and didn't read any press clippings."

OU's schedule from here looks

It was a never-say-die Morningside College team that last Saturday surprised Big Red with a 33-25 upset.

The Maroons from Sioux City were avenging the one touchdown loss that they had suffered at the hands of OU the year before. They came onto the field weighing less and supposedly without a superstar. It was that type of up and up foot-

off with a Meyers to Ken Allen pass. Meyers finally converted and it was 19-6.

Fullback Wayne Backes added the final TD for the Indians in the third period from the four.

Now it seemed to be Morningsides turn to score as they started to run off, and around the end slots. It was around the right end that the Maroons

Allen pulls one down for six points

ball that the team with the better breaks wins.

Nothing can be taken away from Morningside though, they played a hard nosed game and had the will to come from behind. And come from behind, they did—27 points in 19 final minutes.

Morningside opened the day's scoring with a 73 yard drive following the opening kick-off.

made it 25-13. In the fourth quarter, Morningside marched 59 yards for their first score of that period. The next tally was made from the two after a 30 yard drive.

When OU finally did get hold of the ball for long enough to attempt the score, the Maroon line charged fast and hard and made Meyers lose his effectiveness with the aeriels. Omaha had possession of the ball for the next to the last time with nearly two minutes to go but were unable to move effectively.

OU took over the ball with about 24 seconds remaining after Morningside had rapped up the game with a 31 yard sweep.

Coach and an ex-coach survey discouraging play

anything but promising. After Idaho State comes powerful Northern Illinois and passer deluxe George Bork. The Huskies have whipped Whitewater State 55-7 and Winona State of Minnesota 60-0.

It looks like at least a 200 per cent improvement will be needed tomorrow for the Indians to get on the win column against a tough squad. Game time is 2:00 for what could be one of the best games of the year.

Official Notices

Unaffiliated women interested in playing in the WRA volleyball tournament can sign-up in the Women's P. E. Hut.

The tournament will run from Oct. 8 until Dec. 10. Games will be played on Tuesday, Wednesday, or Thursday beginning at four p.m.

The Unaffiliated team will be separate from the P. E. Majors and Minors for the first time this year.

The rest of the first period was see-saw with no scoring.

Early in the second period, the Indians pulled themselves together for a 78 yard drive to the Maroon goal line. It was a Carl Meyers pass to sophomore end Jimmy Jones that climaxed that drive. The play went 20 yards with Jones making like a scat back as he barreled over the goal. Neither team converted their first placements, and the score was tied 6-6.

Tom Luby, bothered by a bad knee, was the next in the lime-light as he recovered a fumble on the OU 20. A personal foul was assessed Morningside on the play and OU took the ball on their 35. Meyers called a pass pattern with Roger Sayers straight up the middle and that is where the Rocket and the ball met. With Sayers already behind the secondary when he caught the ball, it was no contest as he shot the remaining 20 yards to pay dirt.

Don Crum was next up with his first interception of the day that saw a 60 yard drive topped

Wayne Backes Sees Good OU Football Season Ahead

"We have a tough team with two hard running squads and plenty of reserve strength." Thus echoed the voice of Wayne Backes, one of the reasons the

Paul Kaster, halfback for the Zeke Moe Joes, plunged over from the five yard line to open the scoring as the intramural football season got underway last Friday. The Zeke's went ahead to defeat the Lamda Chi Alphas, 12-0.

On the third play of the second half, Jim Capellupo passed fifty yards to Kaster for the final score of the game. Neither attempt at a conversion was successful.

The Delta Rho Gamma team defeated Tau Kappa Epsilon 1-0 in a playoff after each team had battled to a tie earlier Monday. The Delta Rhos pushed the TKEs to a fifteen yard loss during the tie breaking playoff while only losing four yards themselves. Intramural rules state that a playoff game will be won by the team that has less minus yardage.

The Darts won over the Theta Chis in the second game Monday. Jim West scored from the five for the only score of the game. The conversion was missed with the final being 6-0.

This years intramural rules call for the games to be completed in fifty plays rather than the usual timed game which was used last year. Local rules can be obtained from the team captains or from the officials which are provided by Bert Kurth's sports officiating class.
